

## **2017-2018 SCHOOL YEAR**

In an effort to reduce the number of permission forms parents will be required to sign during a school year, this form will serve two purposes: (1) permission for all off-campus activities, (2) permission for junior high students to leave after June exams. **Signed forms should be submitted to the school office by September 8, 2017** as activities begin early in the school year.

### **1. OFF CAMPUS ACTIVITIES**

Throughout the school year, your child may/will be involved in a number of physical activities, both on and off campus, in classes such as PE, PE Plus, hockey, recreational leadership and others. There is some degree of risk associated with these types of activities. Possible injuries may include broken bones, sprains, head injuries, contusions, abrasions and lacerations. There may be possible exposure to extreme hot or cold temperatures, so students should always have appropriate clothing and footwear for the designated activity. Also, there are risks associated with travelling off campus, such as vehicle (bus) accidents, and in rare cases, even death. If your child has any chronic illnesses/ injuries or acute injuries, please let the appropriate teacher(s) know via note or email. *Please note that teachers will still send out permission forms for individual class field trips, as these will often have specific information and payment required by stated deadlines.*

**By signing this form, you are giving your child permission to participate in school activities on and off campus. If you require detailed information on the activity or specific dates and it has not already been provided, please contact the appropriate teacher.**

### **2. JUNIOR HIGH PERMISSION TO LEAVE AFTER JUNE EXAMS**

**By signing this form, you are allowing your child to leave campus once after June exam dismissal each day.** You understand that your child is to leave campus and not loiter on the premises directly after exam dismissal. Exams take place as per the schedule sent out to parents and students are not required to attend school on days where they have no scheduled exam. Students required to re-write exams will be contacted by the school. **By signing this form, you also understand that if your child has outstanding work, they must remain at school in an assigned room until all work is complete. They cannot be given permission to leave school until all work has been submitted, as per school policy.**

**By signing this form, the parent acknowledges they have read the above information for the 2017-2018 School Year.**
