

Holy Cross Collegiate has partnered with MyBlueprint to give students an educational planning tool to help navigate through High School and into Post–Secondary.

Within this program you can explore a variety of information including: building your high school timetable, explore careers, view post-secondary institutions, understand pre-requisite classes for programs, calculate your Alberta Rutherford Scholarships, build resumes, interviews with professionals in specific careers, etc.

### Create Account

1. Visit [www.myBlueprint.ca](http://www.myBlueprint.ca)
