When do regular classes end?

Tuesday June 19 is the last day of REGULAR CLASSES for Junior High. Exams begin June 20.

Do students still come to school if they have no exam that day?

During exams, students attend school only on days they have a scheduled exam.

When do students need to be at school?

Although exams start at 9:00 am, students should arrive as usual for the first bell (8:27 am) so that they are here for attendance and any last minute instruction before the exams begin each day.

What should student bring for exams?

Students should come prepared with pencils, erasers, calculators with batteries (if needed for subject) etc. The office does not have extras. Cellphones are NOT permitted in exams.

Can students leave after they are done their exam each day?

At the beginning of the year, all parents signed a **Permission to Leave After Exams** as part of the Off-Campus form - therefore students may leave after their exams. They are to leave the school and not loiter on the premises after exam dismissal. HOWEVER, if a student has outstanding work, they must remain at school in an assigned room until work is completed and handed in.

What about rewrites?

Students requiring re-writes will be contacted by the teacher. A re-write is granted if the exam mark is 30% or more below the student's class mark. There are no re-writes for grade 9 PAT's.
